## NOTES

### Paper

E-flute (1.5 mm) corrugated paper. In some cases, the paper may be thicker (B-flute 3 mm)  
The values in the tables are given on 1.5 mm E-flute paper.

### Print

1. **flexo printing** on all boxes (**strictly up to two colors**), and
2. **offset printing**-lamination in **most of the** boxes of table A (luxury boxes) but also in **almost all the boxes with separate lid** (except biggers) **and gluing** (sections B and C).

**Cliché Cost (Billed Only First Time):** These costs **depend on:**

- a. by the **number of colors** of the print, and
- b. from the **square centimeters** of the surface of the box to be printed.

In many cases the same cliché (same size) can be applied to more than one box (with small charge).

The minimum cliché cost for a monochrome print is 80 €.

### New size

For the dimensions mentioned in the above tables no charge for mold is required. We can make any other dimension against the relative charge of the mold.

### Minimum Order Quantity

For **unprinted boxes** the minimum quantity is **600 pieces** per dimension.

**800 pieces** is the minimum quantity for boxes **with flexo printing**, and **1000 pieces** for boxes with **offset printing** (luxury) or for category C boxes (**with side gluing**).

**For each new dimension**, out of list, in addition to the mold cost, **the minimum quantity is 1,000 pieces**, regardless of whether the box will have printing or not.

Also **1,000 pieces** per dimension is the minimum quantity **for white boxes on both sides**.

**Special prices for quantities equal to or greater than 5,000 pieces per dimension.**
